

Summer Skaters

Senior/Juniors and Learn to Skate

If you are planning on skating this summer at another location, we need to renew your membership in June 2009 rather than October when we get ice.

If you are planning to return in the fall you can pay in the fall as in the past.

However if you are not sure you will come back in the fall or your changing clubs to ours for the new season you need to pay the registration fee to cover you over the summer. This would still cover you if you wanted to come back and do a walk on at the going rate as a member of our club for the year.

Senior/Junior/ Adults will be credited the \$50.00 for the Fall registration.

Learn to Skate children \$ 20.00 paid now will also be credited for the fall registration

Thank you
